

Princess Kelsey Schmunk & Queen Nichole Bruntz

2008 Molalla Buckeroo Rodeo Court

Queen - Nichole Bruntz

Hey Rodeo Fans!!!

My name is Nichole Bruntz and I am the 2008 Molalla Buckeroo Queen. I was born and raised in Salem, Oregon, where I live with my parents Brad and Amy Bruntz. My love of horses and the western life style began when my Dad purchased my first horse, a Shetland pony. When I received my next horse a paint named Tracker I became involved with youth groups such as the Marion County 4-H, and the Sprague High School Equestrian Team. I am currently involved with the Willamette Valley Team Penning Association, where I earned the saddle for the 2007 Novice High Point winner. Next fall my goal is to enroll at Linn- Benton Community College where I look forward to furthering my knowledge of Landscape design and its practices. I look forward to a very exciting 2008. Throughout the year I will be promoting the Molalla Buckeroo by attending rodeos, parades and civic events as well as being an ambassador for the Buckeroo as well as the western life style to many of our local schools.

I want to thank my family and friends for supporting me in my pursuit to promote the Molalla Buckeroo and the sport of rodeo. I would also like to thank the Board and members of the Buckeroo for giving me the opportunity to be their ambassador.
