Miss Molalla Buckeroo - Jeanine Johnson

Jeanine Johnson is the 25 year old daughter of Melania and Robert Johnson and was born and raised in Beaver Creek, Oregon. She grew up on a little farm and started riding horses when she was 4 years old. Jeanine has done a little bit of everything including gaming, barrel racing, western pleasure, dressage, cross county jumping and team penning. Her love of animals started early in life and growing up, attending the Molalla Buckeroo was always an annual tradition. She is a 2004 graduate of Molalla High School and is currently working as a veterinary technician. Jeanine is excited about representing the 2011 Molalla Buckeroo Rodeo and the entire community of Molalla!
