### **Miss Molalla Buckeroo - Becky Redden**

Becky Redden is the 25 year old daughter of Melody and Pat O'Dell, and a resident of Colton, Oregon where she graduated from high school in 2005. She attended Linn-Benton Community College for Livestock Evaluation and competed with their judging team.

Growing up, Becky showed horses, goats, sheep, beef, and dairy cattle in 4-H, FFA, Open, and Breed shows. She continues to be involved in 4-H by judging the pygmy goat section of the State Round Robin Showmanship Competition each year.

Becky started riding horses at the age of 7 and has done a little bit of everything including gaming, Western/English pleasure, jumping, roping, reining, and showmanship.

Attending the Molalla Buckeroo has been a family tradition for Becky and her family since she was little.

Representing the Buckeroo has been a lifelong dream for her, and she looks forward to encouraging young cowboys and cowgirls to follow their rodeo dreams!
